Horizon Center, Klockner Road/Horizon Drive, Hamilton NJ

Research and Development Zoning:

Principal permitted uses on the land and in buildings

1. Office buildings for executive, administrative, business, educational or professional services.
2. Buildings used exclusively by the federal, state, county or local municipal government.
3. Activities of an industrial, medical or scientific research laboratory, provided that there are no inherent hazards associated with such research and further provided that no nuisance may occur from fire or explosion, toxic or corrosive fumes, gas, smoke, odors, obnoxious dust or vapor, offensive noise or vibrations, glare, flashes or objectionable effluent and electrical interference which may adversely affect or impair the normal use and peaceful enjoyment of any property, structure or dwelling located in any other zone or district. The likelihood of groundwater contamination or depletion, air pollution and the problem of waste disposal shall be considered.
4. Commercial printing facilities.
5. Mailing, reproduction, commercial art and photography and stenographic services.
6. Computer and data processing services.
7. Medical and dental laboratories.
8. Research and engineering activities involving technical investigation or study for product development and similar activities.
9. Publishing houses.
10. Public playgrounds, conservation areas, parks and public purpose uses.
11. Research-office parks, on tracts of land at least 25 acres in area, comprised of uses in accordance with those listed above.
12. All residences existing as of the date of adoption of this chapter. For purposes of evaluating proposed additions or expansions to said residences, the bulk and yard requirements of those residential zone districts which most closely resemble the size of the lot in question shall be applied.
13. Farms.
14. Child and infant care centers.
15. Pharmaceutical products operations.
